

ABOUT VASARI

Vasari brings you the most beautiful wall finishes—crafted from nature, designed for healthy living.

Our Venetian Plaster and Lime Paint are crafted from finely crushed marble, premium lime, and natural pigments—bringing you finishes as close to nature as possible. Designed for both interiors and semi-exterior, Vasari offers unmatched beauty, versatility, and ease of use. Available in a wide range of textures, sheens, and colors, our finishes evoke the elegance of polished marble, the softness of satin, or the timeless charm of rustic stucco.

Naturally eco-friendly, durable, and breathable, Vasari wall finishes combine luxury with practicality—perfect for those who value beauty and sustainability.

THE
FINEST WALL
FINISHES
ON EARTH.

ENEZIANO

Veneziano is a versatile plaster used on interiors. It is applied in thin layers and is able to achieve medium to high-polished surfaces. Unlike the soft subtlety of Amano, Veneziano creates richer and more expressive tones, delivering a statement finish while maintaining a smooth, luxurious touch.

Product Features:

Smooth Texture / Glossy Effect /
Dramatic color variation / Indoor

PROJECT REFERENCES

AMANO

Amano is a matte-finish plaster designed for interior applications. It is applied in thin layers, allowing the surface to develop soft, subtle tonal variations. Compared to Veneziano, Amano has a distinctly matte appearance with only a low sheen even when burnished, giving it a more understated and natural look.

Product Features:

Smooth to medium texture / Matte Effect /
Soft Color Variation / Indoor

PROJECT REFERENCES

MARMORINO

Marmorino is made with fine sand, giving walls natural texture and depth. It can achieve a smooth matte effect or a more mottled, textured finish with a subtle polish if desired. With endless possibilities through combinations of colors, waxes, and application techniques, Marmorino offers unmatched versatility—perfect for creating unique, timeless, and sophisticated finishes.

Product Features:

Medium Texture / Matte Effect /
Soft Color Variation / Indoor/ Semi-Outdoor

PROJECT REFERENCES

CARRERA

Carrera is made with coarser sand, creating pronounced texture and depth. Originally formulated for semi-outdoor applications, it is equally well-suited for interiors. Carrera can achieve a distinctive sandy effect or a more mottled, textured finish, depending on the desired look. With its durability and versatility, it brings character and dimension to any surface.

Product Features:

Rough Texture / Sandy Effect /
Soft Color Variation / Indoor/ Semi-Outdoor

PROJECT REFERENCES

CORSO

Corso is the roughest finish in the Vasari series. Made with coarse aggregates, it offers maximum texture, thickness, and depth. Suitable for both interior and semi-exterior applications, Corso creates bold, natural surfaces with character. It can be applied flat with a naturally pitted effect, or built up for a more mottled, heavily textured finish—making it the perfect choice for achieving a raw, rustic, and highly tactile aesthetic.

Product Features:

Coarse Texture / Grainy Effect /
Soft Color Variation / Indoor/ Semi-Outdoor

LIME PAINT

Vasari Lime Paint complements both traditional and modern settings with its timeless beauty. Applied with a brush, it creates soft, subtle movements, while a sponge technique produces more vivid variations. Unlike regular paints, lime paint lends depth and luminosity to flat walls, revealing delicate nuances, textures, and natural movement that bring surfaces to life.

Product Features:

Light Texture / Matte Effect /
Soft Color Variation / Indoor
